2019 MADELYN ROSE

Vintage Notes

In life, as in winemaking, a blend of great things often results in something fun and unique. Daily experiences, great and small, become even more remarkable when shared with those we love. I am blessed to share each day with my beautiful daughter, Sophia. In her tribute, I am proud to make Madelyn Rose, a wine that expresses the joy I experience with her in my life. The wine's name comes from her middle name: Sophia **Madelyn** Trujillo.

We are pleased to introduce this 2019 Madelyn Rose with a new and exciting composition. This 2019 Madelyn Rose has a different makeup from past vintages. Our delicious Mendocino Syrah was pulled for replant last year. But, we were able to secure new fruit from the cooler Mendocino region, Sangiovese. With the addition of Grenache, Malbec, Sauvignon Blanc, and Gewürztraminer, this Rosé blend lends itself to elevated aromas and balance. I am extremely pleased to say that I have triumphed in the creation of our 2019 Madelyn Rose to be perfectly consistent to those I have made past.

The fresh aromas come forth generously of red raspberry, strawberry and hints of pomegranate. Delicate, almost creamy aromas give a wonderful depth and broadness to the nose. The succulent mix of red fruits in the aromas that lead your senses and taste buds to those same red fruit flavors. Crisp and bright with delicate raspberry and strawberry flavors carry the wine seamlessly throughout. Refreshing with a lingering silky finish.

A beautifully colored, refreshing Rosé wine, meant to be enjoyed in all casual settings. This is hands down a great summer wine for your picnics, BBQ's or just entertaining and relaxing by your pool with friends and family. This wine pairs well with foods that have a mild spicy glow to them. If you like Rosé, then you'll love our Madelyn Rosé.
