## 2017 TRUJILLO RESERVE CABERNET SAUVIGNON HEALY VINEYARD

### *Vintage Notes*

**H**ealy Vineyard is one of the three key vineyards for Trujillo Cabernet. It consists of four and a half acres on the northwestern edge of St. Helena. Soils are of alluvial clay loam from Sulphur Creek fan that provides superb drainage while cooling winds passing between Spring Mountain and the Mayacamas range allow clusters to ripen slowly. Its densely planted, meter by meter, vine spacing contributes to a consistent uniformity each and every vintage. Wines made from this site are of elegance over power.

This select blend of 2017 Healy Reserve Cabernet showcases the amazing quality of this unique vineyard. Up front showing forward lush black fruits all laced in with a nice dusty coco element along with a hint of sweet pepper. The aromas are overgenerous with lush blackberry, sweet dark plum and spice. The flavors of black cherry and cassis are rich and uplifting with a nice gentle grip of fine tannin to carry the wine to a long flavorful, silky finish. Its signature notes of coco mocha aromas and flavor are delightfully laced throughout.

I'm pleased to showcase Healy Vineyard in my Trujillo Reserve series of single vineyard wines. I describe this 2017 Healy Reserve Cabernet as . . . ***Rich, velvety, plush & lush.*** Approachable now with gentle decanting, yet will only improve with time! Drink 2021 - 2030!
