2020 MADELYN WHITE WINE CUVEÉ

Vintage Notes

In life, as in winemaking, a blend of great things often results in something fun and unique. Daily experiences, great and small, become even more remarkable when shared with those we love. I am blessed to share each day with my beautiful daughter, Sophia. In her tribute, I am proud to make Madelyn White Cuveé, a wine that expresses the joy I experience with her in my life. The wine's name comes from her middle name: Sophia Madelyn Trujillo.

The selection of grapes that go into creating this delicious white wine blend are grown in the cooler regions of Mendocino and Napa Valley. This wine is a unique and rousing blend of Sauvignon Blanc and Gewurztraminer, along with a touch of Viognier. The fruit is fermented to dryness, then blended together in perfect harmony. These varietals, not so commonly melded together, bring forth the crisp, fresh citrus of Sauvignon Blanc laced together with the fragrant tropical fruits of the Gewürztraminer and a splash of the exotic Viognier.

This Madelyn white blend has its own unique personality. Within its aromatic expressiveness, there are the subtle hints of orange blossom, honey, melon, and a hint of anise. The flavors are expressive: crisp, sweet pink grapefruit, melon, star fruit, and a touch of sweet Meyer lemon. This balanced wine knits together perfectly with its vibrant acidity and complimenting minerality. It has a refreshing lift, with exhilarating brightness, that generously rolls out to a lingering, delightful, and satisfying finish.

This 2020 Madelyn White Wine Cuvée is a fun and refreshing white wine that is meant to be enjoyed in all casual settings. Definitely a great summer wine! Believe us, you will not be able to drink just one glass!
