

2020 Madelyn Rosé

*“A refreshing Rosé with its brightness and
flavorful expressions.”*

~ Michael Trujillo, Winemaker

Fresh aromas generously come forth showing off strawberry, red raspberry, along with hints of pomegranate and subtle rose petal. Delicate, lusher red fruit aromas give a wonderful depth and broadness to the nose. The succulent mix of red fruits in the aromas that lead your senses and taste buds to those same red fruit flavors. Crisp and bright with red berries carrying the wine seamlessly forward.
