

TRUJILLO

2021 MADELYN ROSÉ

In life, as in winemaking, a blend of great things often results in something fun and unique. Daily experiences, great and small, become even more remarkable when shared with those we love. I personally feel blessed to share each day with my beautiful daughter, Sophia. In her tribute, I am proud to make Madelyn Rosé, a wine that expresses the joy I experience with her in my life. The wine's name comes from her middle name: Sophia **Madelyn** Trujillo.

Vintage Notes

I am excited to release this 2021 Madelyn Rosé with another new and enticing blend composition. Sourcing a combination of amazing grapes for making Rosé from Napa Valley and the cooler Mendocino region to bring forth a fun and alluring wine. Forward fruit, with bright acidity balances perfectly for a vivacious and inviting wine. This blend is nearly even portions of Grenache, Malbec, and Pinot Noir. I tweak the final blend to perfection using minute amounts of Sauvignon Blanc and Gewürztraminer further enticing the aromatics, flavors, and mouth feel.

This wine is uplifting with its bright, fresh red fruit aromas. The aromatics generously come forth with fresh strawberry, red raspberry and hints of pomegranate with a subtle note of rose petal producing wonderful depth and freshness to the nose. The flavors are a succulent mix of vibrant red fruits that lift your senses. Strawberry and raspberry, along with a hint of minerality, carry the wine effortlessly forward. I am extremely pleased to say that our 2021 Madelyn Rose perfectly parallels the style of the Madelyn Roses I've have made past. A captivating wine.

Beautiful and refreshing Rosé wine, meant to be enjoyed in all casual settings. I get a kick to see my big Cabernet customers gravitate to this Rose as their "go to casual wine". This is a wine for enjoyment anytime, anywhere and by anyone! Too Madelyn Rose, Cheers!-
