

TRUJILLO

2022 MADELYN ROSÉ

In life, as in winemaking, a blend of great things often results in something fun and unique. Daily experiences, great and small, become even more remarkable when shared with those we love. I personally feel blessed to share each day with my beautiful daughter, Sophia. In her tribute, I am proud to make Madelyn White Cuvée, a wine that expresses the joy I experience with her in my life. The wine's name comes from her middle name: Sophia **Madelyn** Trujillo.

Vintage Notes

This 2022 Madelyn Rosé closely duplicates the blend composition of the 2021 vintage. It has a more enticing and uplifting provocation in its aromas and flavors. The combination of the grape varietals blended in unison make this Rosé fun, tasty, and charismatic. Forward fruit aromas with bright natural acidity balance perfectly for a vivacious and inviting wine. A tiny dash of Sauvignon Blanc and a smidgen of Gewurztraminer help lace this Rosé to its perfect and harmonious balance.

This vintage has slightly lighter hue than past vintage, yet delivers without a beat. The wine is uplifting with its bright, fresh red fruit aromas of raspberry, strawberry, and sweet pomegranate with a nice subtle rose peddle note and hints of a restrained minerality. The bright and lush red fruits flavors along with its uplifting acidity, carry the wine effortlessly forward. I am extremely pleased to say that this 2022 Madelyn Rosé may be the best one so far.

A beautiful and refreshing Rosé wine, meant to be enjoyed in all casual settings. A great summer wine for picnics, BBQs, or simply entertaining and relaxing by your pool in the company of friends and family. Madelyn Rosé pairs effortlessly with mildly spicy foods, so we recommend you give that a try as well. Cheers & enjoy!
