## 2022 MADELYN WHITE WINE CUVÉE

In life, as in winemaking, a blend of great things often results in something fun and unique. Daily experiences, great and small, become even more remarkable when shared with those we love. I personally feel blessed to share each day with my beautiful daughter, Sophia. In her tribute, I am proud to make Madelyn White Wine Cuvée, a wine that expresses the joy I experience with her in my life. The wine's name comes from her middle name: Sophia **Madelyn** Trujillo.

### *Vintage Notes*

This 2022 vintage of the Madelyn White Wine Cuvée is a unique and expressive white wine blend that captivates your senses instantly. A rousing blend of Sauvignon Blanc and Gewürztraminer defines this wine. These are single source varietals, fermented to dryness, then blended meticulously with one another into perfect harmony. This blend brings forth the crisp, fresh citrus of Sauvignon Blanc, seamlessly laced together with the fragrant tropical fruits of Gewürztraminer.

Within its tantalizing aromatic expressiveness, there are the vibrant aromatics of sweet citrus, orange blossom, honey, melon, and a hint of anise. The aromas are of crisp, sweet pink grapefruit, melon, star fruit, and a breath of sweet tropical fruits. The Gewürztraminer lends to the expanded volume in the aromatics and flavors. Woven together perfectly with its vibrant acidity and complimenting minerality, this wine has a refreshing lift, with exhilarating brightness, that generously rolls out to a lingering, delightful, and satisfying finish.

This 2022 Madelyn White Wine Cuvée is a unique, fun and refreshing white wine that is meant to be enjoyed in all casual settings. This Madelyn white wine is often described back to me as “*unique, fun, playful, refreshing and just delicious!*” May the 2022 Madelyn White Wine Cuvée be of many jovial occasions.
