## 2023 MADELYN ROSÉ

In life, as in winemaking, a blend of great things often results in something fun and unique. Daily experiences, great and small, become even more remarkable when shared with those we love. I personally feel blessed to share each day with my beautiful daughter, Sophia. In her tribute, I am proud to make Madelyn Rosé a wine that expresses the joy I experience with her in my life. The wine's name comes from her middle name: Sophia **Madelyn** Trujillo.

### *Vintage Notes*

This 2023 Madelyn is all about following in the style of past vintages. To deliver a fun and vibrant Rosé wine that stands above others with its flavor and body. This vintage is more about the Malbec and Grenache combination expressing their personalities as a Rosé blend. These two grape varieties are blended in harmony making this Rosé vibrant, fun, and charismatic. Forward fruit aromas with its crisp natural acidity balance perfectly for a vivacious and inviting wine. A tiny dash of Sauvignon Blanc and a smidgen of Gewurztraminer help to lace this Rosé to its perfect and harmonious balance.

This Rosé wine is uplifting with its vivid, fresh red fruit aromas of raspberry, strawberry, and sweet pomegranate with a nice subtle rose peddle note and hints of a restrained minerality. The bright and lush red fruits flavors along with its uplifting acidity, carry the wine effortlessly forward to a lingering and refreshing finish.

A beautiful and refreshing Rosé wine, meant to be enjoyed in all casual settings. A great summer wine for picnics, BBQs, or simply entertaining and relaxing by your pool in the company of friends and family. Madelyn Rosé pairs effortlessly with mildly spicy foods, so we recommend you give that a try as well. Cheers & enjoy!
