

TRUJILLO

2021 TRUJILLO RESERVE CABERNET SAUVIGNON LAMOREAUX VINEYARD

Vintage Notes

The Lamoreaux Vineyard is located toward the southern end of Napa Valley on the western foothills of the Oak Knoll District AVA. The vineyard's proximity to the San Pablo Bay imparts more of a marine influence. The cooler and more moderate climate along with longer fruit hang time on the vines allows for a slow and subtle ripening, giving this wine an uplifting brightness in its fruit expression and overall structure. Wines from this area will express finesse, great texture, and elegant complexity.

2021 is our inaugural bottling from the Lamoreaux Vineyard. I hold a deep history with this site that goes back to the early 1980's. I can recall taking a stroll with my great mentor Andre Tchelistcheff, who told me this was the very best location to grow Cabernet Sauvignon in the Oak Knoll District.

This wine comes forth big, rich, and plush with a bright and focused signature expression of great old-world Cabernet Sauvignon. Lavish silky aromas of red currant, spice, black cherry, dark cocoa powder with subtle hints of sage, sweet black licorice, and sweet tobacco leaf. The wine enters the palate with a firmness that gives way to full uplifting layers of voluminous red and dark fruit flavors. It is firm with bright acidity, attributed to the cooler growing region, that laces this wine seamlessly together to carry it forward for many years come.

I am not only excited for this first Trujillo Lamoreaux Reserve, but proud of the many stratum of history this vineyard and the Lamoreaux family have with me. Enjoy! Drinking great now with decanting through to 2035
