

2022 Madelyn White Wine Cuveé

“Unique, fun, and refreshing”
~ Michael Trujillo, Winemaker

Within its tantalizing aromatic expressiveness, there are the vibrant aromatics of sweet citrus, orange blossom, honey, melon, and a hint of anise. The aromas are of crisp, sweet pink grapefruit, melon, star fruit, and a breath of sweet tropical fruits. Woven together perfectly with its vibrant acidity and complimenting minerality, this wine has a refreshing lift, with exhilarating brightness, that generously rolls out to a lingering, delightful, and satisfying finish.
