

TRUJILLO

2022 TRUJILLO PETIT SIRAH

Vintage Notes

In my four decades of winemaking, I've had the great pleasure of crafting wines from every corner of the Napa Valley. My inspiration for small lot wines comes from stepping out of the box and culling different varieties from favorite vineyards. Each unique site produces grapes that exhibit a balance of daring personality and enveloping elegance, distinct with varietal expression, complexity of aromatics along with seamless balance that carries the wine to amazing heights.

I've always wanted to try my hand at Petite Sirah. This varietal is commonly known for its big, bold firm tannin structure, I tend to prefer the Petit Sirah's that emphasize the grape varietal and its exotic characters and flavors. Petit Sirah has more versatility to foods that have some smokiness, bold spices or BBQ notes to them. A wine for when the mood strikes for a more subtle richness with spiciness along with a firm structure to be fulfilling without overly kicking back on sticky tannins.

This 2022 Trujillo Petit Sirah defiantly shows off its deep, dark, and rich hue. Lifting aromatics of cocoa powder, plum with hints of roasted coffee bean, and spices. Dark, dense jammy notes of boysenberry, blackberry, and blueberry come forth in both the nose and rich flavors. Silky and opulent in texture with balance that carries the wine to a long lasting finish. As the wine opens, the aromatics and flavor profile only magnify. Enjoy!
