2022 TRUJILLO RESERVE CABERNET SAUVIGNON GARY MORISOLI VINEYARD

Vintage Notes

The Gary Morisoli Vineyard is in the heart of the Rutherford Bench near the western foothills in the Rutherford AVA. It is my absolute favorite vineyard within this AVA. Recognized for producing incredible Cabernet Sauvignon and for its distinctive Rutherford Bench characteristics. The well-drained gravelly, loam soils produce Cabernets of rich dark fruit and deep, complex structure. I truly believe this Morisoli vineyard to be the sweet spot of the Rutherford Appellation. The consistent excellence of this amazing vineyard is underscored by its ability to yield Cabernets worthy of a Reserve bottling year after year.

The 2022 growing season, described as near perfect, has given rise to a wine that offers generous and seamless aromas of silky dark fruits, black cherry, cassis, toasty vanilla, sweet tobacco, and the iconic "Rutherford dust" that defines the Rutherford terroir. The richness and boldness of this Cabernet are further highlighted by flavors of dusty dark chocolate, black cherry and lush currants, creating a mouth-filling experience that unfolds with each swirl of the glass. The integration of refined tannins and perfect acidity promises a wine that will continue to evolve gracefully over time, carrying its depth and complexity well into the future.

Gary Morisoli Reserve Cabernet will generously continue to evolve with time in the bottle. This 2022 vintage is beautifully balanced and approachable on its release, but time in the bottle will always be rewarding. Drinking great now with decanting yet easily ageable in your wine cellar through 2040
